

DISTRICT & REGION PREVIEW SPONSORSHIPS

Sunday, July 16, 2017 - Saturday, August 12, 2017

Starting on Sunday, July 16 and running through Saturday, August 12, FloridaHSFootball.com will be publishing three district or region previews each day. On Wednesday's four previews will be published as a special bonus day.

For 2017, the new FHSAA playoff format takes affect with the changes made and we will preview all 64 districts in Classes 5A-8A, all 16 regions in Classes 1A-4A, plus take a look at all seven divisions in the Sunshine State Athletic Conference. There will also be a preview section featuring some of the True Independent teams for 2017. In total there will be 88 previews.

For \$300 per preview, your business or company will be the sponsor of the preview for that district or region. In exchange for your sponsorship of the preview, you will receive a 468x60 banner ad, 300x250 banner ad, company logo on the featured image, plus two tweets on our Twitter page announcing your business or company as the sponsor of the preview and one mention of your company as the sponsor of the preview on our Facebook^ page. See next page for visual on placements. **If you have us design your banner ads, a \$50 design fee will apply.**

SPECIAL: Sponsor three or more previews, receive a 10% discount on your entire package.

Ask your FloridaHSFootball.com representative for a list of districts with teams from your area and the tentative publish dates so you can select your preview to sponsor. Do note that only ONE business or company is allowed to claim sponsorship for each preview.

Your sponsorship would be greatly appreciated to keep content FREE on FloridaHSFootball.com!

^ - Must have a Facebook Business Page we can tag your business or company with to receive Facebook promotion. Recent changes to Facebook's guidelines for promotion of Branded Content requires us to "tag" your company in using their Branded Content Tool. By sponsoring you agree to allow us to tag in posts.

Preview Sponsor Agreement
